WE HAVE CANCELLED OPEN GARDENS 2017 which was due to take place on the 27-28 May this year.

As you know this is a big event for the village with car parkers, ticket sellers, cake bakers, cake servers, sign painters, sign putters-up, map producers, door knockers and all sorts of others in action, let alone garden openers!

This year, we got feedback from some busy people that they wanted a year off, so that's what we've done. It was also difficult to get a good date this year. So have a good rest! But remember we'll be back in 2018 to raise important funds for the village, and we'll make it the best event yet.

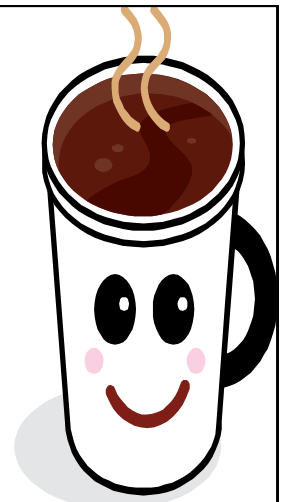

LOOKING FORWARD TO OPEN GARDENS 2018!!

Stanton In Peak Holy Trinity Church – How will you vote?

I am writing this shortly after the announcement of a snap general election at the beginning of June. It has often been said that religion and politics should not be mixed, but I disagree. The work of politicians affects the lives of us all, and so I believe that all people of goodwill should seek to be aware of the work our politicians are doing and should use their influence in legitimate ways where they can.

Christianity has always taught that 'loving our neighbour as ourselves' means acting in support of those who are treated unjustly, and speaking out on behalf of those unable to speak for themselves. How we use our vote is one of the ways in which we can do that. Of course, Christians will still end up supporting different political parties, as there are different views about how the needs of all are best met.

So my prayer is that we will not succumb to voter fatigue, but will treat our opportunity to vote as a responsibility and a privilege rather than a chore. I pray that each of us will use our vote in whatever way we believe will best build up our common life together, rather than focusing on ourselves alone. And I pray too that our politicians will use wisely the power they are given, seeking to work well with those they agree with and those they don't, for the good of those who voted for them, and those who didn't. Above all, I pray for justice and generosity in all our dealings with one another and the world around us.

Yours in Christ, Louise Petheram rev.louise.p@gmail.com 01629 636814

Looking ahead

Please look out for the 'Grill a Vicar' session coming up in Birchover soon. If you would like something similar in Stanton, please let me know.

Please pray

For our politicians and local and national leaders, that they may have wisdom and goodwill to lead for the good of all.

For Emily, to be baptised in May, her Mum and Dad and godparents.

For those who have left prayer requests in any of our churches.

For those who stay in, or visit, our villages, that they may find relaxation and enjoyment, and may experience something of God's love through our community.

Thought for May

There are times when God's sternest rebuke is to allow us the things for which we ask, in order that we might learn that they do not satisfy us, and there are times when his greatest love is shown in his refusal to give us those things we crave."

The prophet Isaiah asks a question:

" Why do you spend money for what is not bread, and your wages for what does not satisfy? Listen carefully to Me, and eat what is good, and let your soul delight itself in abundance." Isaiah55v.2
