STANTON and WORLD WAR ONE

EXHIBITION IN STANTON VILLAGE HALL

13 and 14 September 2014 10am—1pm

To coincide with the 100th anniversary of the outbreak of World War One, and on behalf of SEG, I am mounting an Exhibition in the Village Hall to try and cover the following ;

Who were the men who went to war? / What happened to them after the war? / Who lost their lives?

What happened to those left behind, such as mothers and children?
What went on at the School? /

What were the effects of the war on the village?

Several people in the village and elsewhere have already contributed their memories and artefacts. Do you know of anyone else who might have stories or information to share?

The Exhibition will be free and refreshments will be provided.
I look forward to seeing you there!

JOLLY JOCK

Entertaining folk, corny jokes and music hall humour
Frontman of the endearingly shambolic, but hilariously entertaining, Biggles Wartime Band, **Jolly Jock** covers a lot of ground. Equally at home on some of the nation's biggest festival fields as in its cosiest folk clubs, his virtuosity encompasses guitar, banjo-ukelele, trombone, as well as singing unaccomplished. He revisits music hall songs with a modern twist, massacres some of our best known rock classics and desecrates favourite folk tunes, keeping the audience on their toes wondering what on earth is coming next. Help yourself to one of his free air guitars and join in the fun!

Sat 6th September – The Flying Childers - Stanton in Peak -9pm

Social Bridge Evening Saturday 27th Sept 7.00pm Stanton Village Hall

If you can play bridge—come along
and have some fun!

There will be a half hour “tips” lessons at 7pm to
hone your skills, followed by playing at 7.30pm.

Please bring a pack of cards and your own
liquid refreshments.

There is a 50p charge to cover costs of hall hire.

PARISH DEFIBRILLATORS

Are you willing to make a donation ? Or help organise a fundraiser ? We need to decide on a location. Any thoughts ?

There will be a meeting in the Flying Childers on Weds Sept 17 at 8.00pm to take this forward. All welcome. If you are willing to help in any way, please contact Hilary on 01629 636902. Thanks !!

CHURCH CLOCK MAKEOVER

The Church Clock is an asset for the whole village, but is an expensive thing to keep going (and looking good). So the PCC are always glad to receive help with the cost of maintenance. The Open Gardens event has provided a considerable donation to this funding over the past couple of years and the money has now been put towards a restoration of the clock face – which is looking rather the worse for wear at the moment. So you will soon see scaffolding being put up and a team of specialists scaling the heights to give a fresh face to an old friend.

Thanks to all who contributed to the Open Gardens and Church funds.

Elton & District Gardening Club
'Gardening for Bees' – Derek Sherratt
Thursday 25th September, 7.30pm
Elton Village Hall

We all know that bees, whether wild or domesticated, are essential for pollinating flowers and many crop plants. We also know that bees are under threat. So we're starting our new season of meetings with a session on 'gardening for bees'. Derek will talk about plants and ways of gardening that positively help bees to survive and thrive. Derek is an experienced beekeeper who, amongst other things, has travelled widely in Namibia demonstrating simple, low cost bee-keeping methods in schools and beekeeping centres. Everyone welcome. Membership £12.50 a year. £2.50 per meeting for non-members.

Walking for Health in Youlgrave.

A date for your diary - Tuesday 23 September 2014.

Are you interested in getting active again? Would you like to join a local walking group in the village? Then why not come along to the new 'Walking for Health' group that is being established in the village in September.

The first walk is scheduled for Tuesday 23 September 2014 and we will be meeting at Coldwell End car park at 10.30am so please if you are interested come along and join the group. Initially, we are planning to walk in the Youlgrave area on the second and fourth Tuesday morning of each month.

Think about it your legs were made for walking. It's a wonderful form of exercise that can keep you healthy, living longer, make new friends and even put a smile on your face.

Walking as part of a group is a good way to start and you will find that everyone encourages each other to keep going.

There are some beautiful walks in the area, you may discover new ones that you did not know about. Our aim will be to provide walks to suit different levels of fitness.

What you can expect

Trained walk leaders, good company, safe routes to walk with shorter walks for beginners. All our walks are free and the pace is set by the walkers themselves. It's perfect for people who don't fancy intense exercise you can start off slowly and build up gradually till you feel more confident.

Please wear some good comfortable shoes and taking weather conditions into account you may need a waterproof or 'brolly'. Also bring some change just in case we stop off for a 'cuppa' either 'en route' or afterwards.

Although the walks are initially beginning in Youlgrave anyone wanting to join the walks from Stanton in the Peak would be most welcome to come along on the 23 September. If anyone wants more information about joining the walks the contacts are in the article. As soon as there is news about establishing walks based in Birchover and Stanton we will advertise them around the villages.

If you would like more information please contact:-

Consultation on White Peak Loop extension of the Monsal Trail from Bakewell to Matlock

The vision behind the White Peak Loop is to Create a 60 mile circuit connecting the existing High Peak, Tissington and Monsal Trails into Buxton, Bakewell and Matlock. Derbyshire County Council is in receipt of grant funding from the Department for Transport to deliver the sections of the White Peak Loop marked in pink on the map above through the Pedal Peak II Project. Longer term a link from the western end of the Monsal Trail into Buxton and a link between Matlock and the southern end of the High Peak Trail via Cromford will complete the Loop

The council, together with URS Consultants, is currently carrying out a short consultation about the 7 mile section to extend the Monsal Trail south into Matlock. The proposal is that the route will start at Coombs Lane, Bakewell and follow the route of the dismantled railway line, including re-opening the 945m tunnel, through the Haddon Estate. It is intended that the route will include 3 new bridges in the Rowsley area to cross Park Lane, Church Lane and the A6 and also make use of the existing viaduct to cross the River Derwent. From Rowsley the proposed route will carry on to Matlock mainly running adjacent to the railway line operated by Peak Rail. You can look at a summary of the proposals on line

at **www.derbyshire.gov.uk/pedalpeak**. The information on the web pages will remain for most of September until such time as planning permission has been submitted. We are keen to hear your opinion on the proposals and get some idea of what the projected use of the route might be. We have designed a questionnaire that is available electronically online via the following link: **<https://www.surveymonkey.com/s/RSSWMKF>**

We are working to a very tight timescale. In order to take advantage of this government funding there is a requirement to have spent a portion of the funding by March 2015 with the remainder by March 2016. Once the final details have been agreed with the landowners and the results from this consultation are complete, planning applications will be submitted to Derbyshire County Council for the route from Matlock to Rowsley as soon as possible and to the Peak District National Park Authority, for the section of the route beyond Rowsley in the National Park to Bakewell.

You can register to receive regular newsletter updates about the Pedal Peak Project on the Pedal Peak pages on the council's website: **www.derbyshire.gov.uk/pedalpeak**

There's no excuse for putting off those DIY-type jobs any more. But if you've better things to do, why not let me help out with the home maintenance stuff? So if a shed or summerhouse needs repairing or replacing, garden beds need digging over, raised beds need building, paths and drives need cleaning, rooms need freshening up with gallons of emulsion, flat-pack stuff needs building, or almost any DIY-type task, I can help.

**Give me a shout on either 01629 735940
or 07887 546959 and ask for Andy.**
